Then my mom drove me to school and I got out of the car. I walked in the school and saw this cute guy and he was walking over to me and asked me if i was new. And I said yes I'm new. Then he told me his name was John Tucker and I told him my name was Nikki. Then I was a cheerleader ig i really don't know. So then i was cheering at a basketball game and John was talking to me as he was playing the game and that is when John asked me out on a date to watch the sunset on the beach. I woke up to my alarm. I got dressed and wore a crop top, blue shorts and my white vans. Went down stairs to see my mom talking to John Tucker at the door. My mom said that John was here to take me to school and I said sure let me finish getting ready. So I ate breakfast and brushed teeth and asked John if he wanted to come see my room and he said yea. So we walked up stairs and he saw my stuff still packed up in the boxes. Nikki then I said yes, John asked if he can come after school and help me finish unpacking and I said yea. Then me and John went to school and he had basketball practice. After school John found me and went to my house. John asked if he could spent the night. I said were are u going to sleep and he said with u. I said yes u can spent the night. So after me and John finished unpacking, we went down stairs and made dinner. We went up stairs and watched netflix. John and I got under the covers and he was cuddling with me. John wrapped his arm around me and kissed me good-night. Me and John woke up at the same time and kissed. We went to go take a shower, I got out and got dressed and wore a heart crop top and butt shorts, white vans. We got to school and said he was whipped and asked me to be his girlfriend and I said yes. John asked if he can live with me and I said yes because my mom is going to be out of town for 18 more years and she is still going to pay for the house. Me and John went back to me house and were chilling I took my hair out of a bun. John changed . I changed too, and put my hair up in a high ponytail. Took off my make-up and the week was over, so me and John slept in on Saturday until about 1:30. I put on my swim suit and went swimming outside and John came with me. I went to go shower and start my day. John took a shower after me, I got dressed first. I wore a flawless crop top and blue shorts, white vans. I brushed out my hair and curled my hair and it was so pretty. John and I went out with friends.
